

# Poison – Anastasija

## Verse 1

Ever since I met you  
I knew you would be mine one day  
I was watching for every clue  
So I could devise my own play

I just needed one good trap  
To have you till my last day  
Now all I have to do is snap  
And you will be on your way

## Pre-chorus

I control your body  
I control you  
I control your body  
I control your mind

## Chorus

Ooh (oh yeah) I am a poison  
Ooh I'm running in your blood  
Ooh I am a virus  
I eat you like a parasite  
Ooh I am your poison  
I am your poison  
I am your poison  
I am your poison

## Verse 2

Once you took a sip of me  
You couldn't stop drinking  
I'm in your system like a sea  
And you cannot stop sinking

## Pre-chorus

I control your body  
I control you  
I control your body  
I control your mind

## Chorus

Ooh (oh yeah) I am a poison  
Ooh I'm running in your blood  
Ooh I am a virus  
I eat you like a parasite

Ooh I am your poison  
I am your poison  
I am your poison  
I am your poison

## Bridge

There's nothing you can do about me  
I am a part of you now  
I know you wish to break free  
But I'll keep hold of you somehow

## Pre-chorus

I control your body  
I control you  
I control your body  
I control your mind

## Chorus

Ooh (oh yeah) I am a poison  
Ooh I'm running in your blood  
Ooh I am a virus  
I eat you like a parasite  
Ooh I am your poison  
I am your poison  
I am your poison  
I am your poison

I am your poison  
I am your poison
