

I DON'T WANNA SAY GOODBYE - ANASTASIJA

TALKING:

Friendship always meant everything to me
The most important thing
But look at you...

VERSE 1:

You wrecked me up so many times that I stopped counting it
My angels sent so many signs but I was too blind to see
It's so sad; I don't know how to handle it
This is the end I know, and there's no way to make it sweet

PRE-CHORUS:

So this is the fight; this is the time I have to say goodbye to you

CHORUS :

I don't wanna say goodbye
I don't want a long, sad cry
The decision was made and it's your right
I just don't know how to live without your light
And no matter what, you're in my heart
Just be a little kind this last time
I don't wanna say, I don't wanna say
I don't wanna say goodbye

VERSE 2:

We got along when we were kids; our friendship was unbreakable
The worst and the best in our path, we faced the unthinkable
And one day, you set me up. You stabbed me in the back again

PRE-CHORUS:

This is the fight; this is the time I have to say goodbye to you

CHORUS :

I don't wanna say goodbye
I don't want a long, sad cry
The decision was made and it's your right
I just don't know how to live without your light

And no matter what, you're in my heart
Just be a little kind this last time
I don't wanna say, I don't wanna say
I don't wanna say goodbye

BRIDGE:

Oh I was so naïve; I hoped it'd last forever
Oh I so foolishly believed this day wouldn't come ever

CHORUS:

I don't wanna say goodbye
I don't want a long, sad cry
The decision was made and it's your right
I just don't know how to live without your light
And no matter what, you're in my heart
Just be a little kind this last time
I don't wanna say, I don't wanna say
I don't wanna say goodbye

I don't wanna say, I don't wanna say
I don't wanna say goodbye
So goodbye to you
